

MEET THE BUNCH!

We're the Grapey-est Grapes!

We are like our parents in certain ways, just like you!

We're Seedless like our Mom and Full of Flavor like our Dad.

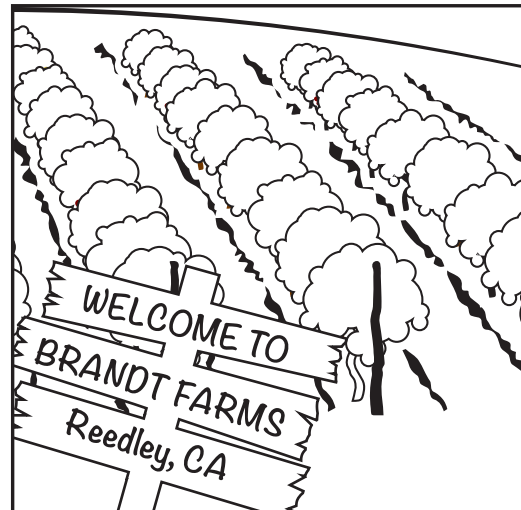

THOMPSON'S ARE THE GREEN GRAPES YOU SEE IN THE STORE!

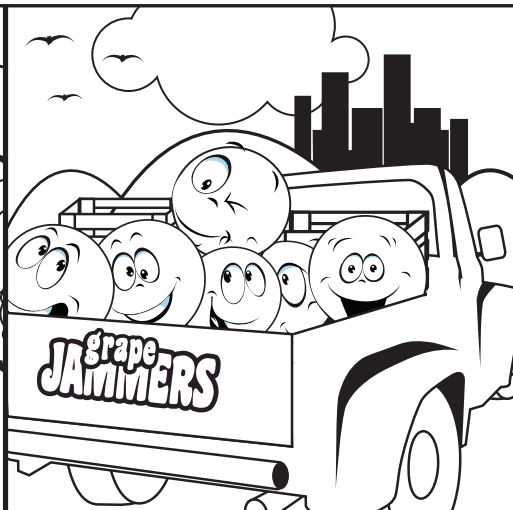

Back in 1983, our parents met in sunny California, the perfect place for grapes to hang out!

Our Dad is a Concord Grape, known for bold flavor & color. His family makes jelly & juice.

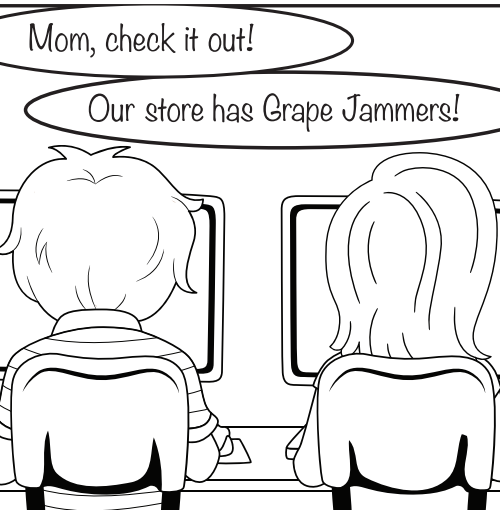

Our Mom is a Thompson Grape. Her family was seedless and loved for their snack-ability.

They raised us in the vineyards at Brandt Farms with all of our brothers and sisters.

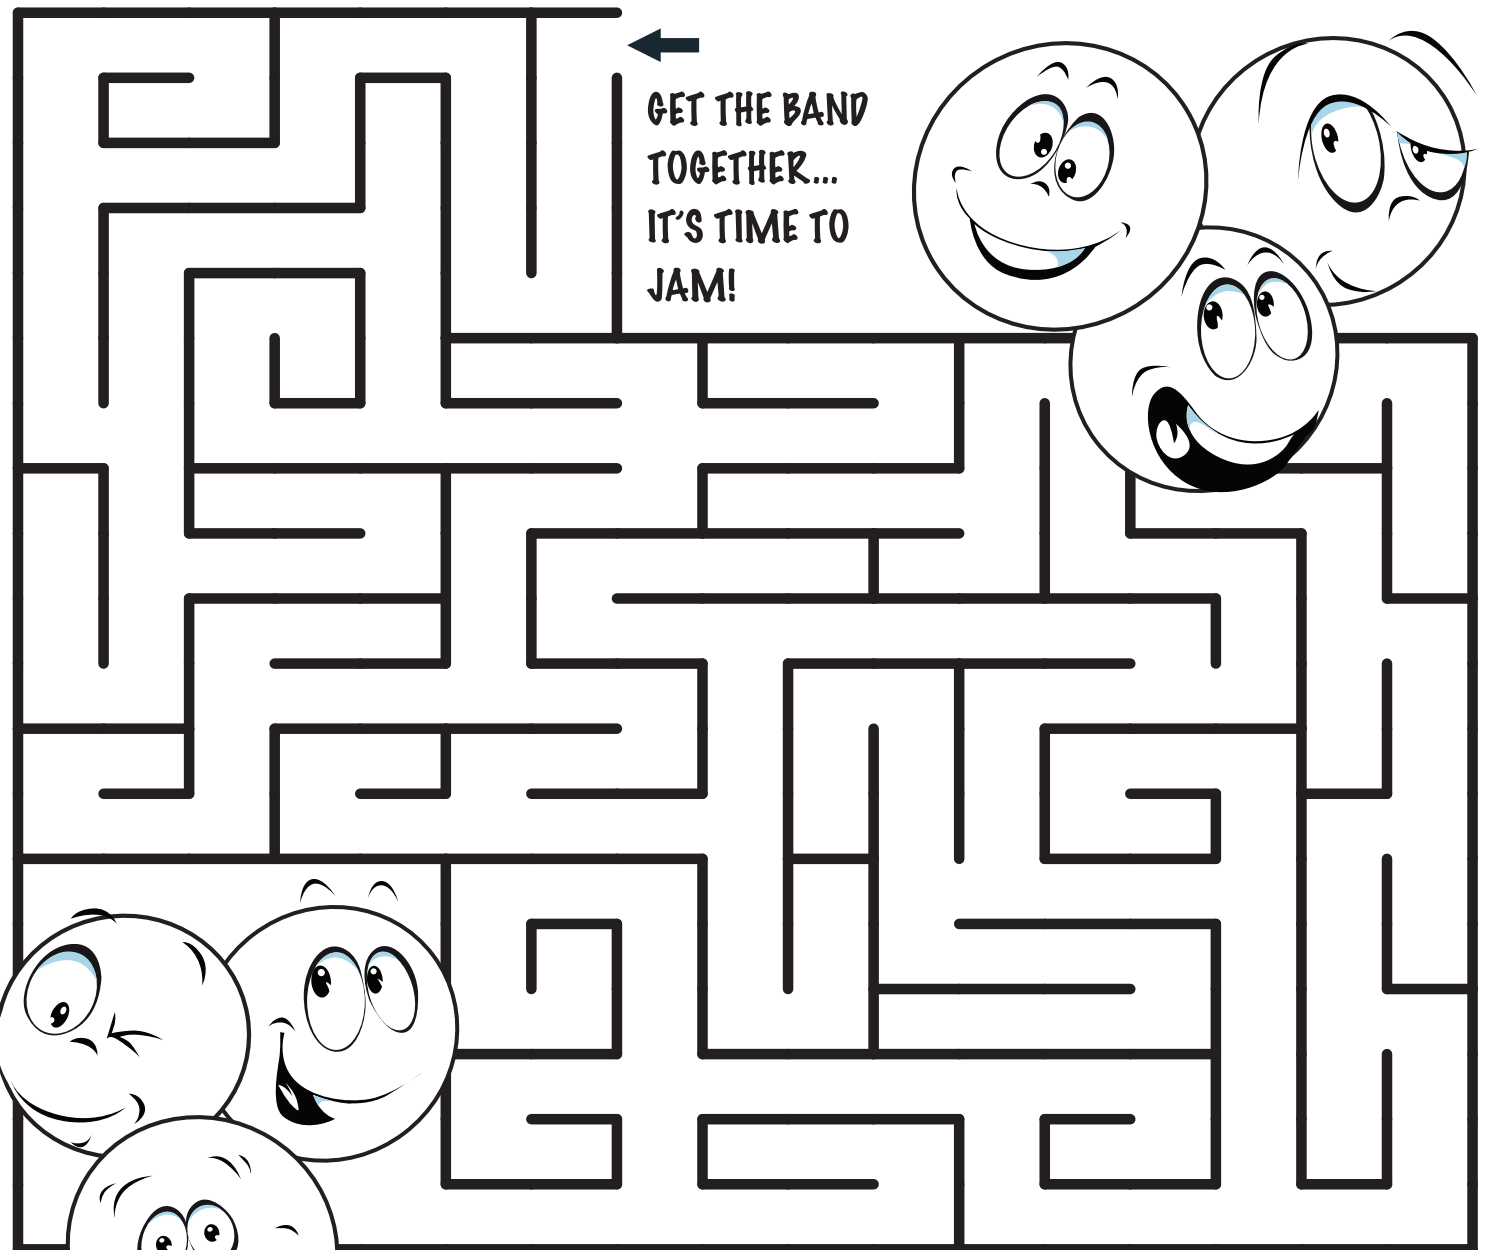

We always dreamed of the day we would leave the vine and tour the supermarket circuit.

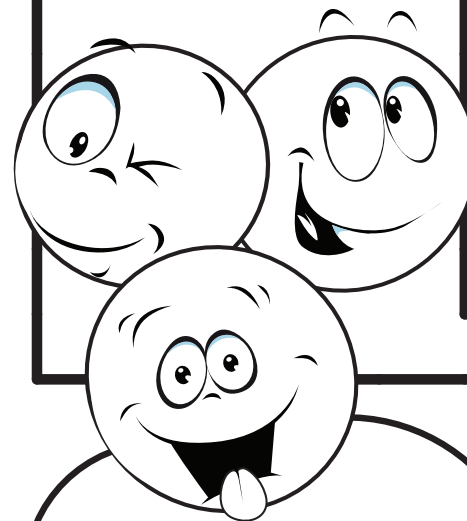

Mom, check it out!

Our store has Grape Jammers!

We've ripened and we're ready to rock your local store. Look for us at www.grapejammers.com!

GET THE BAND TOGETHER... IT'S TIME TO JAM!
